

MAKEUP ARTISTRY

WANT TO BECOME A MAKEUP ARTIST

The human body is the makeup artist's canvas. Your clients are in theatre, television, runways, models, fashion, magazines, film, brides - in fact - anyone who requires your special "rendering". Sophistication and perfection are the 2 words that you need to embrace.

Your make up palette, creative hands and your imagination, along with our hands-on training are your tools. Stage makeup under harsh lighting may be your playground. The humble bride and her entourage all require your professional touch. Themed makeup is dynamic, exciting and rewarding. Fashion makeup for magazine photography and avant-garde makeup for themed shoots are seriously exciting. Gaping wounds with artificial blood make for wonderful theatrical productions.

Getpix Creative College offers a range of photography courses to suit all needs.

Join us on a 1 day workshop for the basics or specialized techniques.

For those who want to make makeup artistry their career, we offer a 6 month full time courses which run Monday - Friday, 09:00 - 13:00

6 MONTH MAKEUP ARTISTRY COURSE

About The Course:

The human body is the makeup artist's canvas. You will learn about the face structure, hygiene, skin, the body, lighting, makeup looks, and most importantly the application of makeup to a variety of your own and Getpix chosen models, men, women and children, young and not so young. Your clients are in theatre, television, runways, models, fashion, magazines, film, brides - in fact - anyone who requires your special "rendering". Sophistication and perfection are the 2 words that you need to embrace.

Your makeup palette, creative hands and your imagination, along with our hands-on training are your tools. Stage makeup under harsh lighting may be your playground. The humble bride and her entourage all require your professional touch. Themed makeup is dynamic, exciting and rewarding. Fashion make up for magazine photography and avant-garde make up for themed shoots are seriously exciting. Gaping wounds with artificial blood make for wonderful theatrical productions. You will practically learn how to transform the human body into a masterpiece. The option of airbrushing is another art form that you could take under your wing.

A crucial part of your course is learning how to manage your business, along with the best way to approach new clients and so importantly, how to keep your clients for future business. You will create your own company logo, company name and business cards to hand out to clients, along with the necessary documentation and social media requirements to running your successful business.

The price of our course includes absolutely everything - from your makeup palette, professionally well sized makeup case, along with your tailored tunics embroidered with your personalized name. Your makeup palette includes everything from the smallest sponge to a variety of special effects.

Having a classic portfolio to show prospective clients, does not come in the form of hand held cell phone images. As a result we teach you the basics of photography and lighting- another art - that you will soon realize is exceedingly important. Your portfolio is your world. It is the gateway to your career. Our photographic studio is the playground for completed creations to be captured into perfect photographs.
