

PHOTOGRAPHY

WANT TO BECOME A PHOTOGRAPHER

Do you enjoy capturing moments? Do you see the world differently?
Find beauty in the dark?

Then PHOTOGRAPHY is the career for you.

Photographers are artists with a camera.

Getpix Creative College offers a range of photography courses to suit all needs.

Join us on a 1 day workshop for the basics or specialized techniques.

Our part time courses are designed for those inspiring photographers that have limited time to study. We start at the very beginning and help you develop your skills as a photographer.

For those who want to make photography their career, we offer 2 full time courses. Full time courses run Monday – Friday, 09:00 – 13:00

The 6 month course covers the essentials of starting your own photography career.

The 1 year course is the complete package covering a wide variety of genres as well as marketing your business, web design and advanced photo editing.

1 YEAR PHOTOGRAPHY COURSE

PART TIME PHOTOGRAPHY COURSE

Our part time courses, comprise of 4 lessons of 4 hours each, once a week, for a duration of a month.

Classes are kept small, to a maximum of 8 students, to ensure maximum attention from our instructors.

We cover the important theory without you having to go through the boredom of reading the manual. The practical work during classes will keep you on your toes and seeing objects from a different perspective.

For more information and to book, kindly contact Getpix Creative College on 011 425 1768

Private tuition and onsite tuition available

PHOTOGRAPHY WORKSHOPS

Our photography workshops are designed to refresh the mind or to define and grow on a certain skill or technique.

Workshops are run in the mornings (09:00 – 12:00) or in the evening (18:00 – 21:00).

See our Facebook page for up and coming workshops.

Cost: R500 per person
